

W3 Holiday Valley 2024, NY

Downhill Ski and Snowboard Trip

With 290 acres of skiable terrain and 58 trails serviced by 13 lifts and an average of 180" of annual snowfall, Holiday Valley has a reputation for good skiing and loads of fun.

This weekend trip is a relatively short bus ride to Springville NY, so you'll be at the hotel in the early evening on Friday and home quickly on Sunday night. For those living west of the city there is a secondary pickup on the QEW in Oakville with free parking. Shuttle transportation is provided each day to Holiday Valley for skiing, and Saturday night to Ellicottville for wining and dining, drinking and dancing, walking and shopping, or just having fun. Group skiing with resort ski hosts will be arranged as available.

This has been an HPSC favourite which offers exceptional value, great camaraderie and superb skiing. This trip will appeal to new members and those wanting an early-season weekend trip away from the city. There are several very challenging expert runs at Holiday Valley and the resort offers a great mix of green and blue slopes that will keep you busy all weekend.

What you should know and fine print

Value Trip

Right up front we want you to regard this as a value trip. In spite of the USD exchange rate, we have secured a group rate for the accommodations.

Passport / Travel Documents

A valid passport is required for this US destination. A visa may also be required if you are not a Canadian or US citizen. It is your responsibility to have proper travel documents on your person before the trip departs. With the advent of recreational cannabis in Canada, you must meet customs regulations outside of Canada when traveling with the Club. You cannot bring any type of cannabis product into the US. The border guards are under Federal jurisdiction which prohibits transporting any form of cannabis into the USA. NY State law does not matter. Anyone who is not admitted to the United States will have to provide their own return transportation from the border.

Optional Travel Insurance

For overnight bus trips, members are responsible for arranging their own trip cancellation insurance and medical insurance. On USA trips, Out-of-Country health coverage in case of sickness or injury is **strongly recommended**. Insurance can be purchased from a number of Toronto sources. Some credit cards also provide coverage but check carefully that it will apply to your trip. All insurance claims must be made by the member to their own insurance company.
