

C6 Winter Park 2024, CO

Downhill Ski and Snowboard Trip

Winter Park is Colorado's oldest ski resort and has been voted as North America's #1 Ski Resort by USA Today Readers 3 times! With over 3,000 skiable acres and access to 765,000 acres of public land, Winter Park is home to an unparalleled Colorado experience. The valley is surrounded by the Arapaho National Forest and three wilderness areas. It's set at an elevation of 9,000 feet, with 3,060 of vertical and gets an average of 344.6 inches of snow annually but also makes snow on 27 trails or 313 acres. It has 166 trails, 21 lifts and over \$30 million is planned to be spent on updates for next season. The resort is perfect for most skiers with a variety of runs but is especially popular with Intermediate and Advanced skiers looking for wide open tree cut runs. If you start at the Winter Park base you'll find mostly beginner and intermediate terrain. Starting from the Mary Jane base you'll get into more advanced and expert skiing, and don't forget those famous bumps! It has two distinct mountains spanned by 6 ski areas. With a direct, non-stop flight to Denver and Winter Park's location at just 67 miles from Denver, you'll be on the slopes in no time.
